Parents,

In order for us to be able to take pictures of your children at Beth Ahm Israel programs for publicity purposes, the synagogue requires your permission. Please complete and sign the form below and return it to the synagogue office so that we can have it on file for future reference. If you have any questions, please contact Elaine Levine, the Executive Director @ 954-431-5100.

Thank you.

Parental Release

I have been made aware of the fact that either amateur or professional photographers may photograph events in which my child is participating. The pictures taken may be used both for purposes of reporting on the event or for such other use as Beth Ahm Israel determines necessary. I have no objection to the pictures taken being used at any time for promotional use. It is my understanding that by signing this document I consent to the use of the pictures just referred to for any purpose whatsoever.

Please list your children's names:
